## **Section 1: Introduction**

### **1.01 Greetings**

Cypress Christian School (CCS), a ministry of Cypress Wesleyan Church (CWC), is an educational institution which provides Christian instruction to children in kindergarten through eighth grade. Our guiding value is excellence in education within the context of Christian beliefs, compassion, and lifestyle. CWC recognizes the value and the need for a church-based daycare, preschool, and school system to serve our communities.

CCS recognizes the importance of our partnership with families and strive to work with them to provide the physical care, educational instruction, and spiritual development that are vital in the lives of children. We also realize we can fulfill this responsibility only with the support of families, the expertise and dedication of our staff, and the guidance of the Holy Spirit.

This handbook is designed to share important information and policies of CCS. Please read it and keep it available for future reference. The CCS Board and CCS administration reserve the right to amend these policies at any time.

We appreciate your trust in us and ask you to join our board, administration, and faculty in prayers for the love, patience, and wisdom needed to accomplish this awesome task.

### **1.02 Non-Discrimination Statement**

The educational program of CCS shall be provided without discrimination based on race, color, or ethnic origin in administration of its educational policies, scholarships, loans, fee waivers, educational programs and/or extracurricular activities. In addition, the school is not intended to be an alternative to court ordered, administrative agency ordered, or public school district-initiated desegregation.

### **1.03 Policy Changes Due to Covid-19**

Due to the ongoing situation surrounding Covid-19, CCS has adjusted several policies in this document on a temporary basis. These adjustments can be found in Appendix F Covid Related Policies. All other policies that are not addressed in this document remain in effect.

## **Section 2: Foundational Information**

### **2.01 Executive Leadership**

CCS operates under the authority of the CWC Local Board of Administration (LBA). CCS is governed by the CCS Board, which serves as the primary policy making, advisory, and development group of the school. The CCS Board appoints the administration to oversee the daily operation of the school. The administration reports to the CCS Board regularly as it relates to policy, staff, students, and development issues. The CCS board is the recommending group on behalf of the school to the LBA when appropriate.

### **2.02 Mission Statement**

It is the mission of CCS, working in partnership with parents and the church, to educate students with a strong biblical worldview; academically, physically, and emotionally to excel in the use of the gifts God has bestowed on them.

### **2.03 Vision Statement**

Graduates of CCS will demonstrate that life is a process of continual growth relative to their ability. They will serve God through all of their gifts and abilities, making the most of the resources available to them.

### **2.04 Statement of Beliefs**

#### **Salvation**

Salvation is wholly a work of God's free grace, received by repentance and faith. Each person can be made new in Christ by the Holy Spirit and thereafter continuously grow in the knowledge of God.

#### **Faith in the Holy Trinity**

The Father – We believe in one living and true God, both holy and loving, eternal, unlimited in power, wisdom, and goodness, the Creator and Preserver of all things.

The Son of God – We believe in Jesus Christ, the only begotten Son of God. We believe that Jesus was miraculously conceived, born of a virgin, and sinless in life. Christ was fully man and fully God, walked our earth, lived a life of obedience, suffered at the hands of men, and died on the cross. He fully atoned for the sins of all, was bodily resurrected and enthroned at God's right hand as our Intercessor.

The Holy Spirit – He is the Administrator of grace to all mankind. He is ever present, assuring, preserving, guiding, and enabling the believer.

#### **The Word of God**

The sole basis of our belief is the Bible. The Scripture in its entirety is composed of the 66 books of the Old and New Testaments, which originated with God, and was given through many different chosen authors. We believe that God's Word is inspired and infallible. It is fully inerrant in the original manuscripts and superior to all human authority. You don't fit

the Bible in your life, you fit your life in the Bible. God's Word has never failed man. It is a perfect road map that leads to eternal life with God.

### **God's Purpose for Humanity**

We believe that the two great commandments which require us to love the Lord our God with all our heart, and our neighbor as ourselves, summarize the divine law as it is revealed in the Scriptures. They are the perfect measure and norm of human duty, both for the ordering and directing of families and nations, and all other social bodies, and for individual acts, by which we are required to acknowledge God as our only Supreme Ruler.

### **Personal Choice**

We believe that humanity's creation in the image of God included the ability to choose between right and wrong.

### **The Atonement**

We believe that Christ's offering of Himself, once and for all, through His sufferings and death on the cross, provides the perfect redemption and atonement for the sins of the whole world, both original and actual.

### **Repentance and Faith**

We believe that for men and women to receive what God's prevenient grace has made possible, they must voluntarily respond in repentance and faith. Repentance begins by the convicting ministry of the Holy Spirit. It involves a willful change of mind that renounces sin and longs for righteousness, a godly sorrow for and a confession of sin. Faith, in turn, is the only condition of salvation. It begins in the agreement of the mind and the consent of the will to the truth of the gospel.

### **Good Works**

We believe that although good works cannot save us from our sins or from God's judgment, they are the fruit of faith and follow after regeneration.

### **Sin after Repentance**

We believe that it is possible to fall into sin after giving your heart to Christ.

### **Sanctification**

We believe that sanctification is that work of the Holy Spirit by which the child of God is separated from sin unto God and is enabled to love God with all the heart and to walk in all His holy commandments blameless. Being "saved" or making a decision to follow Christ is when we have God. Sanctification is when God has you.

### **The Gifts of the Spirit**

We believe that the Holy Spirit is the agent of all Spiritual gifts and that these gifts are given to glorify God and not man. However, we major on the fruit of the Spirit and not the

gifts of the Spirit. Gifts of the Spirit without first the fruit of the Spirit is like a tree without roots.

### **The Second Coming of Christ**

We believe that the certainty of the personal and imminent return of Christ inspires holy living and zeal for reaching the world for Christ.

### **The Church**

We believe that the Christian church is the entire body of believers in Jesus Christ, who is the founder and only Head of the church. We believe that the church is God's only plan to save the world and is a powerful gathering of people beyond anything man could construct. We believe The Church is the hope of the world.

### **Destiny**

We believe that there is life after death and all are on their way to either heaven or hell.

### **The Sacraments: Baptism and Communion**

We believe that water baptism and communion [often referred to as the Lord's Supper] are the sacraments of the church commanded by Christ and ordained as a means of grace when received through faith. We believe that water baptism is an outward and visible sign of an inward transformation of the heart and should be administered to all believers. We believe that communion is a sacrament of our redemption by Christ's death and our hope in His victorious return, as well as a sign of the love that Christians have for each other.

### **Marriage and the Family**

God's plan for human sexuality is that it is to be expressed only in a monogamous lifelong relationship between one man and one woman within the framework of marriage. This is the only relationship which is divinely designed for the birth and rearing of children and is a covenant union made in the sight of God, taking priority over every other human relationship.

### **2.05 Philosophy of Education**

CCS espouses the historic Christian view of life as presented in the Bible: since God created and sustains everything through His Son Jesus Christ, the world and life are God-centered and should glorify Him. Man, being a sinner by nature and choice, however, cannot in this condition glorify or know God. Man can only do this through the new birth, and by committing one's life to Jesus Christ as Savior and Lord. The total process of education, therefore, seeks this restoration of the student to the position of true knowledge, true righteousness and true holiness in Christ. CCS seeks to accomplish this by developing and relating the whole person to God spiritually, mentally, socially and physically. When we provide an atmosphere where young people can experience regeneration and spiritual growth, they can grow in their understanding of God's will. Discipleship, therefore, is an important part of the ministry of CCS.

Such an education stems from the comprehensive principle stated in Colossians 1:16-17: "For by Him (Christ) all things were created...He is before all things, and in Him all things hold together." Such an education is God-centered, not man centered, and presents all truth as God's truth. Even though knowledge is often factually the same for both the Christian and non-Christian, no subject can be taught in the totality of its truth if the Creator is ignored or denied.

Also vital to such an education is the recognition of the Holy Spirit's ministry in teaching and learning. If "all the treasures of wisdom and knowledge are hidden in Christ" (Colossians 2:3), then an educational process conducted in vital union with the Holy Spirit (John 16:3) will be a truly fruitful one. "He will guide you into all truth..."

It is in this atmosphere that CCS offers a program of instructional excellence emphasizing solid academics and using educationally sound materials and methods to develop the student's intellect. We believe this is the type of education parents are seeking when they enroll their children here. We believe that the school should function as an extension of the home to aid parents in giving this type of education.

## **2.06 Teaching Ministry**

Teachers and school administrators are called by God to help raise up the young in the ways of faith. Jesus, the Savior, was also a teacher. He gathered his disciples and others around him and taught with such conviction and truth that the "many who heard him were astonished, saying, 'Where did this man get all this? What is the wisdom given to him? What mighty works are wrought by his hand!'" (Mark 6:2). His apostles, likewise, were teachers and gave witness "with great power" through their words and deeds, and "gave their testimony to the resurrection of the Lord Jesus, and great grace was upon them all" (Acts 4:33).

The ministry of teaching obligates the teacher to assist his or her students in understanding not only mathematics or physics, but how the order and discipline of mathematics or physics reveals the mind of God. It obligates one not only to instruct in geography and history, but to inculcate the faith by helping the students know that God created the mountains, the sea, the rivers, the deserts, the forests, the plains, and all the creatures that inhabit them, and to learn that human discoveries, empires, conflicts, and social movements are measured by the divinely ordained order. The ministry of teaching requires one not only to help students acquire skill in spelling, reading, grammar, and writing, but to understand that human language is a primary means by which students might explore the wonders of poetry and narrative and sacred Scripture itself—all of which indirectly or directly disclose salvation history. Regardless of the subject, true teachers minister to their students by helping them follow Paul's admonition:

Finally, brethren, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is gracious, if there is any excellence, if there is anything worthy of praise, think about these things. What you have learned and received and heard and seen in me, do: and the God of peace will be with you. (Phil 4:8-9)

Teachers in a Christian school must be ever mindful that they instruct not only through rational explanation of formal subject material but even more powerfully through word, deed, example, and shared experience. Simply put, they teach the faith by modeling the faith and by modeling faithfulness. This is why all teachers, even before their first meeting with students, must subscribe to the school's Statement of Faith. This is why teachers are required to give a godly example, both at school and away. Teachers must teach truth and avoid falsehood. "Therefore, putting away falsehood, let everyone speak the truth with his neighbor, for we are members one of another. ... Let no evil talk come out of your mouths, but only such as is good for edifying, as fits the occasion, that it may impart grace to those who hear" (Ephesians 4:25, 29).

Teachers minister to the students by providing them with faith experiences. They lead the youth in prayer, praise, and mercy. Paul urged Christians to "Let all bitterness and wrath and anger and clamor and slander to be put away from you, with all malice, and be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you" (Ephesians 4:31-32). Teachers also model the Christian life by being active in their own church community and by serving as an intermediary assisting their students in becoming active in their respective church communities so that those students might be further nurtured in faith with their friends and family around them.

The following are the fees at CCS for the 2021/22 school year. Please note that all fees are non-refundable. However, a refund of fees may be considered if a student withdraws due to a job loss, a major medical hardship, or a move out of the area. ### **3.09 Student Release Policy**

Families must supply CCS with a list of people who are authorized to pick up their child during or after school. Unfamiliar persons will be asked to provide identification when picking up a student. If the school is unable to verify the identity of this person, the child will not be released. Please ensure any individual picking up your student is prepared to provide this identification. To ensure student safety, final decision on releasing students will be made by the administration and school personnel.

### **3.10 Change in Personal Information**

If any changes occur in a student, parent, or guardian's name, address, telephone number (home or work), or employment, please update this information through ParentsWeb. Please keep emergency contact information current, including any individuals who are authorized to pick up students.

### 3.11 Court Documents

Families will ensure that CCS receives a copy of any court documents that impact students in a timely manner.

### 3.12 Student Withdrawal

If it becomes necessary for students to withdraw from CCS, such intention shall be reported to the administration by means of a statement signed by the parent/guardian, or by contacting the school office via email. Families will complete a withdrawal form and the withdrawal will be granted only after all school books and other school property has been returned. Upon request of the school to which the student is transferring, an official report of performance marks and grades, together with other pupil records, will be forwarded after all financial obligations have been met.

The following criteria are used in determining Withdrawal Fee for the student(s):

- **Students withdrawing on or before June 30**  
No Withdrawal Fee.
- **Students withdrawing between July 1 and July 31**  
Withdrawal Fee equivalent to 50 % of Instructional Fees per student.

Withdrawal Fee equivalent to one month's tuition plus 50% of instructional Fees per student.
- **Students withdrawing on or after September 1**

The Withdrawal Fee is in place to cover costs incurred by CCS. Student records may not be released until all financial obligations have been met (Ohio Revised Code, Section 3313.642). For the purposes of withdrawal fees, monthly amounts are calculated based on a 9 month school year (September through May)

### 3.13 Lunch

Children in school all day should bring a nutritious and balanced packed lunch. No refrigeration is available, so please plan lunches that will hold for several hours. Please do not pack any red drinks or carbonated drinks. Due to codes and liability, the heating of student lunches is prohibited.

#### Lunchroom Rules

- No excessive noise or loud talking.
- No leaving your seat without permission.
- No sharing of food.
- Students must remain seated at all times.
- Absolutely no throwing of food.
- Pick up all papers and garbage around the eating area and dispose of it properly as the teacher or lunchroom monitor instructs.

The CCS PTO offers hot lunch for student purchase. The schedule for the year is determined based on volunteer numbers and is shared with families on ParentsWeb.

### **3.15 Chapel**

Chapel services are held once a week at 8:30am. Middle school chapel is on Tuesday and elementary school is on Thursday. At several points in the year, CCS holds an all school chapel. Chapel is a time of Worship, including musical praise and special speakers. Students are expected to attend chapel in an orderly way and worshipful manner. Visitors are invited to join us for chapel at any time. Those interested in attending chapel should contact the school office in advance to confirm the chapel schedule.

### **3.16 Communication with Families**

Families can expect regular communication from their classroom teacher. Specifics on this communication will be shared by homeroom teachers during the back-to-school period. Conferences are scheduled at several times during the school year. Families or the teacher may request a conference any time there is a special concern. Families may contact teachers via email or by leaving a message with the school office. Teachers cannot leave their classrooms during the school day to speak on the phone. Teachers will return emails and call as soon as they are able. Emergency situations and calls will be handled by the school office staff. The office will utilize emails, phone calls, social media posts, and Remind text notifications to communicate with families.

### **3.17 Newsletter**

School-wide e-newsletters are sent weekly to keep families updated on school activities and events. Reading the e-newsletter is the best way to keep informed of school events, dress down days, and other important information.

### **3.18 Medications**

The school is not authorized to dispense medication to a student unless the following requirements are met:

1. The school receives a completed medication authorization form. The form must be completed by parent/guardian and a physician (for prescription medication) before being returned to school. This form can be found in Appendix C or obtained from the school office.
2. Medication forms must include dosage information and times when medications are to be administered.
3. The medication must be in the original container and labeled with the student's name.

No student should carry or administer his/her own medication. Exceptions apply to asthma inhalers, Epipens, and diabetic supplies. Students requiring medication to be carried with them must have a medication form on file in the school office. Over the counter drugs such as

Tylenol, Advil, Motrin, and natural remedies are considered medication and cannot be dispensed without the proper form being on file in the school office.

### **3.19 Immunizations**

Per Ohio Revised Code 3313.671 and the Ohio Department of Health, your child must have a minimum number of required doses of vaccine to attend school or complete a waiver (contact the school office for more information). Please be aware that failure to submit documentation within two weeks of beginning to attend CCS will result in your student being unable to attend classes until documentation is received.

The State Requirements for immunization are listed below:

#### Diphtheria/Tetanus/Pertussis (DPT, DTaP, DT, Td):

- A minimum of 4 doses are required for K and 3 doses for Gr. 1-12.
- If the 4th dose was administered before the 4th birthday, a 5th dose is required.

### **3.20 Emergency Operations Plan (EOP)**

CCS has a comprehensive EOP on file with Ohio Department of Education, Ohio Department of Homeland Security, Columbus Police and Columbus Fire. Families with questions or concerns should contact the school office.

### **3.21 Emergency Drills**

Monthly fire drills and scheduled tornado drills are handled and carried out in complete compliance with all local codes and guidelines. Other emergency drills will be conducted at various times during the school year. The office will communicate with families when other drills are held after they are completed.

### **3.22 Medical Emergency Plan**

Precautions are taken to prevent accidents and to ensure the safety of all children and adults. Should an accident occur, CCS faculty and staff are equipped to care for minor wounds and illnesses. Families will be contacted by the school office to be updated on the situation as soon as possible. When a student comes into the school office for care, a staff member will determine whether or not the student should remain at school or go home. If the student should need to go home, the appropriate person will be called, and the student will remain in the school office until being picked up. No student is to leave school premises for illness without first reporting to the school office.

The CCS administration will determine if it is necessary to seek further medical assistance. In these situations, the school will call an emergency squad and follow their guidance on further actions. If necessary, students will be transported to the nearest appropriate medical facility. Families, or persons responsible for the child involved, will be notified immediately. Subsequent medical supervision, if necessary, is the responsibility of the parent/guardian.

A report of any accident or illness will be completed and signed by the staff member(s) supervising at the time of the incident. A copy will be kept by the school and a copy provided to the families.

More information about student illness and attendance is located in Section 5.

### **3.23 Confidentiality of Records**

Student records are kept secure in the school office and are open only to the child's teacher, the administration, an authorized agent of the Ohio Department of Education, representative of a court presenting a valid court order, or the child's parent/guardian.

### **3.24 Student Photographs/Videos**

Throughout the school year, CCS will have the opportunity to photograph and video various student activities. Opportunities where students may be photographed and/or recorded include, but are not limited to, student recognition programs, school assemblies, athletic events, field trips, classroom activities, special activities, fine arts programs, and service opportunities. CCS reserves the right to use these photographs and videos to help tell our story and applaud the efforts of our students. Photographs and videos may be used in various

school publications included but not limited to our website, social media sites, promotional materials, print materials, and displays on campus. In all publications it is our intent to highlight and celebrate the success of our students. Students will not be identified by name in photographs or videos by the school. If you would prefer for your student not to be included in these photographs, a request must be submitted in writing to the school office each school year.

### **3.25 Student Needs**

CCS continually monitors the needs of our students from the time of application through their leaving Cypress. This includes evaluating their academic, social, emotional, behavioral, and spiritual, and physical needs. If at any time Cypress believes that they can no longer meet the needs of a student, a meeting will be held with families to discuss changes that need to be made. This may include requiring students to withdraw from Cypress.

## **Section 4: Admissions Policies**

### **4.01 Admissions Philosophy and Policies**

CCS is a chartered nonpublic K-8 school that is committed to partner with families to provide students a high quality, Christ-centered education. For this reason, CCS has established specific admissions criteria, policies, and procedures to provide a Christ-centered safe, secure, and wholesome learning environment. These policies and procedures are designed to ensure that students receive the correct grade-level placement, and that CCS can meet the academic, social, behavioral, and spiritual needs of the student.

CCS admits students of any race, color, or ethnic origin to all the rights, privileges, programs, and activities offered at the school. In addition, CCS will not discriminate based on race, color, or ethnic origin in the administration of its educational policies, tuition assistance, educational programs, athletics, and/or extracurricular activities.

By enrolling children at CCS, families pledge cooperation in paying tuition and fees regularly and on time, encouraging their children to follow the Christian teachings of the school, and to respect the authority of the teachers, staff, and administration.

CCS desires every student and family to come to a saving knowledge of Jesus Christ but this is not a requirement for admission. Families enrolling at CCS must be supportive of and agree to have their children taught in accordance with the "Statement of Beliefs". In addition, CCS encourages families to recognize their scriptural responsibility to "...bring them (children) up in the training and instruction of the Lord" (Ephesians 6:4 NIV), and that the primary responsibility for this rests with the family

### **4.02 Kindergarten Age Requirements**

In accordance with State Law, CCS will consider a student for admission to Kindergarten if they turn five (5) years old on or before September 30 of their Kindergarten school year.

### **4.03 Third Grade Reading Guarantee**

CCS is required to ensure all incoming fourth grade students meet the Ohio Third Grade Reading Guarantee (Ohio Revised Code 3301.163). Any student applying for admission to fourth grade at CCS cannot be enrolled until CCS receives confirmation that the student has met the Third Grade Reading Guarantee requirements from their previous school.

### **4.04 Admission Process**

Families wishing to apply for admission to CCS must follow the steps listed below:

1. Initial Application

Families must submit a completed application form for each student. In addition, families must provide a copy of the birth certificate for each student and the non-refundable application fee (\$125 for first student, \$75 for each additional student, \$275family maximum).

2. Applicant Screening

Each student will be screened by CCS to ensure correct grade placement. Test results from current/previous schools may be accepted in place of a screening at the discretion of the administration.

3. Letter of Reference

A letter of reference from a teacher, preschool/daycare teacher, Sunday school/church teacher, or sports/other coach will be submitted directly to CCS.

4. Interview

Each new applicant and/or family may be interviewed by the administration.

5. Application Decision

A decision on the application will be made by the administration following a review of all application documents.

**4.05 Probation for New Students**

First-time students are automatically on probation for one academic quarter. During that time, their academic, behavioral, and social progress will be monitored with special care to determine the correctness of their grade placement and their compatibility with the purposes and program of CCS. In addition, school records will be requested from previous school districts and reviewed by the administration. During this probation period, the administration, after consultation with families, reserves the right to alter grade level placement or withdraw the student from CCS.

## **Section 5: Attendance Policies**

### **5.01 Attendance Policy Overview**

Section 3321.04 of the Ohio Revised Code provides that every parent, guardian or other person having charge of any child of compulsory school age must send such child to a school which conforms to the minimum standards prescribed by the State Board of Education for the time the school attended is in session. Regular school attendance is vital for success. For this reason, CCS does everything in its power to encourage regular and punctual attendance. Families should email CCS if a student is ill, will be late, or will not be attending school. The tardy and one-half day absence policies are as follows:

- A tardy will be recorded for any student who misses up to one hour of the school day.
- Half-day absences will be recorded for any student who misses more than one hour of a school day.

### **5.02 Student Absence Reporting**

All student absence reports from families must be submitted through our attendance email address, [attendance@cypressschools.tv](mailto:attendance@cypressschools.tv). Please include student names, grades, teachers, and a reasons for the absence. In the case of student illness, please include symptoms and/or any medical diagnosis as appropriate.

Please note that this email is checked by office staff daily and not by teachers. If your child will be absent for two or more school days, please email the appropriate teachers to request work. For more information on make-up work, please see section 5.05.

### **5.03 Definite Reasons for Keeping a Child Home from School**

Please notify the school office as soon as possible with the reason for a student remaining home. Students must be fever free and/or have had no vomiting/diarrhea for 24 hours before returning to school. If your child has a communicable illness such as pinkeye, lice, strep or impetigo, please contact the school office so we can use the appropriate measures to contain the spread of the disease. Students with the following symptoms should be kept home from school.

1. Fever of 100.4°F and above (student must be fever free without medication for 24 hours before returning to school).
2. Vomiting (student must be symptom free for 24 hours before returning to school).
3. Diarrhea (student must be symptom free for 24 hours before returning to school).
4. Severe coughing.
5. Difficulty breathing.
6. Conjunctivitis (pink eye).
7. Untreated infected skin patches.
8. Evidence of lice or scabies.
9. Sore throat associated with a fever.
10. Skin rashes associated with a fever.
11. Covid-19 symptoms per current Covid-19 Policies (see Appendix F or school website).

## 5.04 Excused Absences

The following are CCS's reasons for recording an excused absence for students. Families receiving the EdChoice Scholarship should take note of the EdChoice Student Absences policy outlined in section 5.08.

1. Student Illness: Please email the attendance email (attendance@cypressschools.tv) with dates the student will miss and any symptoms that are being shown. Please provide a doctor's note for students when returning to school if one was received.
2. Family Emergency: Please send an email to attendance@cypressschools.tv when possible with dates the student will miss and the reason.
3. Personal Circumstances (up to three school days missed) –an excused absence will be considered if an email is received from families **in advance**, stating the reason for the absence. Please email the attendance email (attendance@cypressschools.tv). For absences of four or more days, please refer to section 5.07.

## 5.05 Make-up Work

1. A student absent for the above reasons will have the same number of calendar days as the absence to complete make-up work. Deadlines for long-term projects/papers may be extended at the teachers discretion.
2. For one day absences, students will be given make-up work on the day they return to school.
3. For two or more days of absence, your child's make-up work may be obtained by either:
  - a. Waiting until your child returns to school and is given missed assignments by the teacher.
  - b. Calling the office by 10:00 a.m. on the second day of the absence and requesting that your child's make-up work be either
    - i. Sent to the office for you to pick up after 3:30 p.m.
    - ii. Sent home with a sibling.
4. Please note that we will NOT disrupt student learning to ask your child's teacher to prepare homework while you wait for it. Families must call the school office before 10:00 a.m. to request work. The teacher will do their best to get it ready by the end of the day. The school office will call once work is available to be picked up.
5. If your child must leave school early, please do not ask the teacher to give the work that will be missed before the child leaves. Make-up work will be given to the student the following school day.

## 5.06 Unexcused Absences

A student absence outside of the reasons listed in section 5.04 will be recorded as an unexcused absence. Students will receive zeroes for all work missed due to unexcused absences. If an absence excuse is received within 5 days, students will be given an opportunity to make-up work. The administration may take additional disciplinary action after reviewing the specifics of the situation.

### **5.07 Extended Student Absences**

CCS recognizes the fact that circumstances may lead to students needing to take an extended absence from school. This could include serious illness, a medical procedure, or out of town funeral. If a family believes that their student will need to take an extended absence, please complete the Extended Student Absence form for each student who will be absent and submit to the school office as soon as is possible. The administrator will review each request to determine if these absences will be excused.

### **5.08 Family Education Trip**

Families are encouraged to take vacations during regularly scheduled school breaks. However CCS recognizes the fact that family vacations may be necessary during the term and that family experiences, as well as travel itself, are valuable learning experiences. Any student missing four or more school days for this type of trip must submit a Family Education Trip form to the office at least **7 calendar days** before the absence is scheduled to begin. Please note that family education trips **cannot** be taken during the annual testing period (see school calendar). Failure to provide the appropriate notice may result in the absence being recorded as unexcused.

Each form will be reviewed by the administration and a decision made on whether to approve the request. Approved requests will be given to the classroom teacher(s) to complete a list of missing work. Completed forms will be sent home with the students. Any make-up work provided must be completed by the student and turned in on the day they return to school. Work turned in late or completed by someone other than the student may receive zeros.

### **5.09 Student Appointments**

CCS recognizes that there are various appointments that need to be made by families throughout the year. CCS encourages families to schedule these appointments during times when school is not in session to minimize disruption to student learning. When this is not possible, please communicate appointments with teachers so accommodations can be made where possible.

### **5.10 EdChoice Student Absences**

Students receiving the EdChoice scholarship that exceed 20 unexcused absences as defined in section 5.06 will lose their eligibility to renew their scholarship.

### **5.11 Excessive Absences**

Regular attendance at school is vital to the success of our students. The following policies will be followed for students with excessive absences.

1. A mandatory conference may be required if a student is absent, excused or unexcused, 5 days per quarter (20 absences, excused or unexcused, per year).
2. A student may be placed on Academic Probation (an individualized contract with the student, guardians, and administration) if a student is absent, excused or unexcused, 8

days per quarter. Once this occurs, any further absences will only be excused with a physician's note for a student to receive full credit for his/her make-up work.

3. Students in grades 6-8 may fail the quarter if they are absent 15 days, excused or unexcused during the quarter.
4. A student missing 20 or more days, excused or unexcused, during the school year may not be advanced to the following grade level.

### **5.12 Tardiness**

Students arriving to school after 8:15 a.m. are considered tardy and must be signed in at the main office by a parent/guardian. Tardiness for doctor and dentist visits will not be counted against the student if verified by a written excuse from the physician or dentist. Students receiving five tardies may be assigned a lunch detention. Tardy numbers are reset at the end of the quarter.

Students are expected to be in their seats ready to learn by 8:20 a.m. Students who do not meet this expectation may be disciplined in accordance with the teacher's classroom management procedure. Students in grades 6-8 who are tardy to their class periods may also be disciplined according to the classroom teacher's classroom management procedure.

Chronic tardiness may result in additional consequences per the school's discipline policy.

### **5.13 Attendance and After-School Activities**

A student must attend school a minimum of half a day to be eligible to participate in after school activities.

## **Section 6: Academic Policies**

### **6.01 Curriculum**

CCS meets or exceeds all of the curriculum standards for Chartered Non-Public Schools as set forth by the Ohio Department of Education. CCS has a curriculum committee that evaluates our curriculum materials from both Christian and secular publishers to ensure the best curriculum is available for students to help meet the learning standards.

### **6.02 Bibles**

Every student should have their own copy of the Bible. The school provides a student copy in second grade that can be used for many years. The translation that is suggested for all school memory work and study is the New International Version (NIV).

### **6.03 Report Cards**

Report cards are issued via email to families after the completion of each quarter. Fourth quarter report cards will be emailed provided there are no outstanding financial obligations.

### **6.04 Grading System**

For language arts classes, CCS provides performance feedback for students based on progress toward standards. Student performance is reported on the following scale.

- 4 *Accelerated* Student demonstrates mastery above grade level expectations.
- 3 *Proficient* Student demonstrates mastery at grade level without assistance.
- 2 *Basic* Student demonstrates grade level expectations with assistance.
- 1 *Below Basic* Student is not currently demonstrating grade level expectations.

A system of performance marks is used to indicate student progress in Kindergarten and Grade 1, as well as selected subjects in Grades 2-5. The performance marks are as follows:

- E *Excellent.*
- G *Good.*
- S *Satisfactory.*
- N *Needs improvement.*
- U *Unsatisfactory.*

As students progress through the elementary school, a system of letter grades corresponding to numerical averages is gradually introduced for selected subjects. This grading scale is also used for all middle school classes except language arts. The grading scale is:

- A 90-100
- B 80-89
- C 70-79
- D 60-69
- F 0-59

## **6.05 Advancing to the Next Grade**

A decision regarding promotion to the next grade will be based upon student progress on grade level learning standards, standardized tests results, and the student's overall ability and age. The decision will be made by the administration in consultation with the teacher and families. Student performance will be monitored closely throughout the year to ensure no unexpected decisions are made. Promotion and/or retention decisions are generally finalized at the end of the fourth grading period.

## **6.06 Achievement Testing**

Our students are administered standardized testing several times a year. Students complete Star360 assessments in Reading and Math three times a year. Each spring, students complete standardized testing in various subject areas. These assessments serve two basic purposes:

1. To monitor the progress of each student.
2. To evaluate our classroom instruction and determine areas which need additional concentration, thus strengthening our overall program.

Please keep in mind that any achievement test is merely one indicator of a child's ability.

## **6.07 Elementary Special Subjects**

### Art

One class per week. Various projects will be undertaken throughout the course of the year. An art show will be presented each year at the same time as the grade level musical.

### Music

Two classes per week. Music will consist of singing, movement, playing instruments, composing, and some music theory. CCS will put on three major musical events a year based on grade level. Student attendance at these functions is mandatory and music grades will be reduced if prior arrangements for absence are not made.

### Library

One class per week. Each class is given the opportunity to check out books to be used for pleasure reading or the completion of assignments. Families are asked to help see that students return books by the due date. Library classes will work in conjunction with their language arts classes.

### Physical Education

One class per week. Students will complete various activities and learn the basics of a variety of sports. The physical education teacher will communicate what is suitable attire for each activity.

## **6.08 Middle School Specials**

### Band/Choir

Students will participate in at least one music class, either band or choir. Students will be permitted to take both. The band and choir will perform at various times throughout the school year.

### Art

One class per week. These classes will encourage students to develop skills and knowledge in a variety of art techniques.

### Health

Two classes per week during the second and third quarters. These classes focus on developing healthy lifestyle habits and are presented from a Christian worldview.

### Physical Education

Two classes per week during the first and fourth quarters. These classes will focus on various sports and encourage students to discover the gifts and talents with which God has blessed them.

### Spanish

One class per week depending on grade level. Students will be introduced to the basics of Spanish to prepare them for high school

## **6.09 Textbooks and Library Books**

The Bible should be the main textbook in every subject and students will develop an understanding that all other texts are understood and studied in the light of Biblical principles. Textbooks and library books used at CCS are owned by the school and they may be covered at the request of the teacher. CCS has put a large investment in reading materials and they must be treated with care. Writing in any school owned book is to be done only at the discretion of the teacher. Workbooks, usually owned by the student, are consumable. Families may be held responsible for the replacement cost of any damaged or missing textbooks or library books.

## **Section 7: Discipline and School Order**

### **7.01 Discipline Philosophy**

Believing that discipline is a process by which students are guided to develop Christ-like characteristics, each teacher maintains classroom behavior in a manner in accordance with Christian principles as set forth in Scripture and stated in our school policy. All discipline is designed to show the child their basic nature and lead them to submit themselves to God's will and to develop self-discipline under the guidance of the Holy Spirit. Discipline includes both direction and restriction. In an atmosphere of clear Christian standards, there is the opportunity for development of strong Christian character.

### **7.02 Discipline Principles**

The enforcement of all discipline policies will be at the discretion of the administrator according to the specific needs of the student and/or CCS. CCS may take disciplinary action against a student for behavior or actions that occur both during and outside of the school day/year.

It is vital that there be order in the classroom and that the rules of the school be upheld. This is important both from a teacher's point of view as well as the student's. In a school community it is necessary for mutual respect and order to prevail so that all students can feel comfortable and secure. A teaching-learning situation can exist only in an orderly environment where problems do not create barriers to student learning.

It is always essential that the teacher be in command of the classroom. Rewards, incentives, and encouragement are important tools in establishing good behavior patterns. We promote the ideal of "catch a student doing something good", and we build on those happy occasions. This is the positive side of discipline. The negative side would be correcting and chastening. Love and firmness must be balanced. Firmness without love leads to harsh treatment, while love without firmness produces sentimentality. Faculty and administration will seek to apply the school's rules fairly with compassion and wisdom.

Discipline is progressive. If a discipline problem becomes more serious and cannot be resolved in the school, a family conference will be held. Close communication with the home should help avert a more serious problem. "Plans fail for lack of counsel, but with many advisors, they succeed." (Proverbs 15:22 NIV)

Discipline should build self-esteem and a self-developing value system based upon the principles of the Word of God. Students should never be "put down" or demeaned before their peers. Throughout the whole discipline process the student should be aware of the teacher's unconditional love and respect.

### **7.03 Schoolwide Merits**

Positive behaviors will be recognized by the awarding of a merit by any member of the faculty, staff, or administration. Merits will be recorded on FACTS-SIS and an email sent home when

they are assigned. Students receiving five or more merits in a quarter will be recognized at our awards assemblies.

#### **7.04 Schoolwide Disciplinary Progression**

Each teacher sets up his/her own system of classroom discipline under the guidance of the administrator. It is important to understand that every teacher will evaluate and handle discipline a little differently. This discipline system will be shared with families during the back-to-school meetings.

Each situation requiring discipline will be evaluated on its own merits and appropriate consequences assigned. Families understand that a first infraction by a student may result in an immediate assignment of more severe consequences if deemed appropriate by teachers and/or administration. Families understand that infractions occurring outside of the school day/year will be handle in accordance with the progression outlined below.

##### Progression of Discipline

The following steps of the Progression of Discipline can be assigned by teachers, staff, and administration.

##### Step 1: Classroom Discipline System

The first step in the discipline procedure will be the individual teacher's classroom discipline system. The Classroom Discipline System will apply when in classrooms, at lunch, or at recess. The following are examples of behaviors that will be addressed by this step:

- a) talking out of turn
- b) writing/passing notes
- c) throwing objects
- d) "horseplay"
- e) loud/disruptive talking
- f) writing on desks & school equipment
- g) chewing gum
- h) food or drink in the wrong location
- i) inappropriate/unkind language or gestures
- j) dress code violation
- k) other minor behavior issues

The remaining steps in the progression will be recorded in FACTS-SIS and emailed home to parents/guardians by the individual assigning the consequence. For situations resulting in a suspension or expulsion, the administration will contact families to discuss the situation.

##### Step 2: Warnings

Warnings are earned by students and the following are examples of behaviors that would be addressed by this step:

- a) repeated incidents of behaviors listed in the "Classroom Discipline System"
- b) students who are tardy to class (middle school)

### Step 3: Demerits

Demerits are earned by students and the following are examples of behaviors that would be addressed by this step:

- a) repeated incidents of behaviors listed in the “Classroom Discipline System” and “Warnings”
- b) cheating/academic dishonesty
- c) skipping class/leaving without permission
- d) violation of AUP (see section 8)
- e) lying
- f) pushing and shoving

- h) disrespect to students and staff

### Step 4: Lunch Detention

Lunch detentions are earned by students and will be assigned in following situations:

- a) receiving three demerits in a quarter

The remaining steps of the “Progression of Discipline” may be assigned by the administration for behaviors including.

### Step 6: In School Suspension (ISS)

Students assigned ISS are permitted to attend school but will not attend regularly scheduled classes. During their ISS, students will be supervised by staff and will be given the opportunity to complete classwork.

### Step 7: Out of School Suspension (OSS)

Students assigned OSS will need to be kept home by families. Students will receive a zero for all assignments missed during their OSS.

### Step 8: Expulsion

The administration may expel any student who has been found to be a continual discipline problem, involved in an activity serious enough to mandate expulsion, or engaged in behavior or lifestyle inconsistent with Biblical guidelines as prescribed by the Cypress Wesleyan Church. This policy applies to behavior on and off campus and throughout the calendar year.

## **7.05 Disciplinary Probation**

A student may be placed on disciplinary probation by the recommendation of the faculty and the approval of the administration due to continual lack of compliance to classroom rules, continued deliberate disobedience, a continued and persistent rebellious attitude, a negative influence on other students, committing a serious breach of conduct outside or inside the school, failure of the families to comply with school policies, or failure of the families to get recommended professional help for students when needed.

A student assigned to disciplinary probation will be subject to a behavior plan. This plan will be shared with families at a conference at the start of the probation period. The conference will include the family, student, teacher, and administration. Following the conference, failure by the student to adhere to the behavior plan may result in expulsion from CCS.

## **7.06 Bullying, Intimidation, and Harassment Policy**

Biblical illustration of relationships: John 15:12-“My command is this: Love each other as I have loved you.” In an effort to instill Biblical values and create a more loving environment the school has adopted this policy. From time to time, conflict can occur. CCS realizes that while bullying may occur, it is never acceptable. The school's response to bullying is based on the pattern of relating to one another found in the Bible. God intended for us to live in a way that acknowledges differences and accepts others because we are all made in God's image.

CCS is committed to providing a safe, positive, productive, and nurturing educational environment for all of its students. Bullying, harassment and intimidation is an intentional written, verbal, electronic or physical act that a student has exhibited toward another particular student over a period of time. The behavior causes mental or physical harm to the other student and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student.

Harassment, intimidation, or bullying toward a student, whether by other students, staff, or third parties is strictly prohibited and will not be tolerated. This prohibition includes aggressive behavior, physical, verbal, and psychological abuse. This policy applies to all activities including activities on school property, on a school bus, or while traveling to or from school, and those occurring off school property, such as field trips, retreat, class trips, or athletic events where students are under the school's control. This policy also applies to behaviors and actions

that occur outside of the school day/year. Students found responsible for harassment, intimidation or bullying will be disciplined in accordance with the school's student disciplinary procedures.

Students and families are encouraged to immediately report conduct they consider to be harassment, intimidation or bullying to a teacher, aide, coach, or administration. Likewise, all school personnel who become aware of harassment, intimidation or bullying shall immediately report such behavior to school administration.

## **7.07 Dress Code**

### Objective

The goal of the dress code is to assist students in developing the skills needed to present themselves as Christian witnesses in the world, with an outward appearance that reflects modesty, neatness, and simplicity.

### General Guidelines

**Tops:** must be solid color with collar and sleeves; a small logo or monogram is permitted; solid color, long-sleeved shirts may be worn under short-sleeved shirts; shirts should be buttoned appropriately and bare midriffs are prohibited.

**Bottoms:** solid color slacks, capris, shorts, dresses, skirts, or skorts; shorts, dresses, skirts, and skorts must be fingertip length or longer and may be plaid; skirts must have athletic shorts or leggings underneath; cargo pants and jeans are not permitted; pants should not be torn or ripped; pants should be neither form-fitting nor extremely baggy; leggings cannot be worn as pants but are permitted under skirts and shorts; leggings can be any color or appropriate pattern.

**Footwear:** traditional dress, casual, or athletic shoes; must be closed toed and have a back; socks or hosiery required; no heeled shoes, crocs, sandals, slippers or flip flops.

**Jewelry:** should be worn in moderation; only ear piercing is permitted; students are limited to a single pair of earrings.

**Hair:** no extreme styles; hair must be above the eyes.

**Outerwear/Sweater/Vests:** sweaters and vests worn during the school day are to be solid in color; a small logo or monogram is permitted; jackets and coats worn to and from school can be any style as long as they are appropriate but may not be worn in/between classes; only CCS brand hoodies are permitted.

### Casual Days

Casual Days are scheduled to allow students the opportunity to wear clothing that is not included in the dress code. Any items not covered below remain the same on casual days.

**Tops:** t-shirts, shirts and/or sweatshirts displaying artwork, slogans, or messages are permitted as long as they are appropriate.

**Bottoms:** students may wear jeans, sweat pants, track/wind pants, athletic shorts, skirts, or skorts; shorts, skirts, and skorts must be fingertip length or longer; pants that are distressed (torn, ripped, etc.) cannot show skin through the distress above fingertip length; pants should be neither form-fitting nor extremely baggy; yoga pants, workout pants, jeggings, and other form fitting pants are prohibited; leggings cannot be worn as pants but are permitted under skirts and shorts; leggings can be any color or appropriate pattern; no pajamas or onesies allowed

## Violations

Family support is vital to the success of the dress code. Final decisions regarding dress code issues will be made by the administration. Cypress has a small supply of dress code appropriate clothes. Students out of dress code may need to call home for a change of clothes if no appropriate clothes are available. Students out of dress code may be removed from the classroom until the issue is resolved.

### **7.08 Child Abuse Reporting**

In accordance with state law and school policy, school staff are obligated under penalty of fine and jail term to report the reasonable suspicion of physical abuse, sexual abuse, or child neglect. In this very serious and legally narrow area, the school will not contact families in advance of making a report to authorities, which would be the procedure followed in most other legal matters. The clear intent of the law, based on the seriousness of the crimes listed above, is to mandate that a report of reasonable suspicion of abuse be made. School staff will make such reports in the best interest of the affected child and do not, once reasonable suspicion is established, have any legal alternative except to make the report to the proper authorities for their investigation and review.

### **7.09 Care of School Facilities**

All areas being used by CCS have been provided by Cypress Wesleyan Church involving the efforts of many dedicated people. They are likewise maintained at considerable expenses and with dedicated effort. It is our job as a school to use these facilities in a wise way that evidences great care and concern. Strong disciplinary procedures will be implemented for anyone who deliberately defaces, destroys, or misuses church and school equipment and buildings.

### **7.10 Off-limits Areas**

The following areas are off-limits without special permission:

1. The platform areas in the Activity and Children's Center.
2. Any furnace room, mechanical room, janitorial/supply closet, and storage areas.
3. The cafés and kitchen.
4. Main church administration hallway, preschool, and daycare hallways.
5. The youth center.
6. School office areas without permission.
7. The Worship Center and lobby area.

## **Section 8: Acceptable Use Policy (AUP) and Internet/Network Safety**

### **8.01 Statement of Purpose**

The purpose of providing technology, internet access, and network access is to support the school's educational objectives of CCS. For a student to be allowed access to and use of the CCS computer system, computer network, the internet, and other technology, parents/guardians must sign the AUP agreement when completing the online enrollment process.

### **8.02 Rules for Internet/Network Usage**

CCS is providing access to its school computer systems, computer networks, and the internet for educational purposes only. If there is any doubt about whether a contemplated activity is educational, students should consult with the classroom teacher. Use of the computer network and internet is a privilege, not a right. A student who violates this agreement shall, at a minimum, have his or her access to the network and internet terminated and is subject to disciplinary action by the school administrator.

### **8.03 Student Safety/Education**

#### *Cyber-bullying*

Cyber-bullying is defined as a situation when a person is repeatedly tormented, threatened, harassed, humiliated, embarrassed or otherwise targeted using text messaging, email, instant messaging, posting text or images, by means of electronic technology. Any cyber-bullying, harassment, or intimidation is strictly prohibited. If a student is found to have engaged in cyber-bullying, disciplinary action will be taken in accordance with CCS policies (see section 7). If a student believes they are the victim of cyber-bullying, the situation should be reported to a teacher, administrator, or other staff member. Additionally, students are encouraged to notify school staff if they suspect another student is being victimized.

#### *Social Media Networks/Chat Rooms*

Students are prohibited from utilizing social media and chat rooms on school devices unless directed to do so by a teacher as part of an educational assignment.

### **8.04 Basic Internet/Network Etiquette & Safety Rules**

- Be polite. Use appropriate language and graphics.

- Teachers may allow individual students to use email, electronic chat rooms, instant messaging, social networking sites and other forms of direct electronic communications for educational purposes only and with proper supervision.
- Publishing student pictures and work on websites promotes learning, collaboration and provides an opportunity to share the achievements of students. Images and products of K-8 students may be included on the school website or Facebook page without identifying captions or names. Parents/guardians who do not wish for their students work to be published should indicate this on the consent form at the end of the handbook.
- Network and internet access is provided as a tool for education. CCS reserves the right to monitor, inspect, copy, review and store at any time and without prior notice any and all usage of the computer network, internet access as well as any and all information transmitted or received in connection with such usage. All such information files shall be and remain the property of CCS, and no user shall have any expectation of privacy regarding such materials.

- CCS policies on "Plagiarism/Cheating" and "Harassment/Intimidation" apply to conduct when using technology.
- Access to the network or internet by any means/device other than that approved by the administration is prohibited.
- The use of blogs, podcasts or other web tools is considered an extension of the classroom. Therefore, any speech that is considered inappropriate in the classroom is also inappropriate in all uses of blogs, podcasts, or other web tools. This includes but is not limited to profanity, racist, sexist, or discriminatory remarks. Comments made on blogs will be monitored and disciplinary action may be taken where appropriate.
- Use of the internet/network for any illegal activity is prohibited. Illegal activities include (a) tampering with computer hardware, software or data, (b) unauthorized entry into computers and files (hacking/cracking), (c) purposeful vandalism or destruction of equipment, and (d) deletion of computer files. Do not use the network or internet to send messages relating to or in any way supporting illegal activities such as sale or use of drugs or alcohol or supporting of criminal or gang activity; threats, intimidation or harassment.

### **8.05 Network/System Security/Content Filtering**

- If an internet/network security problem is identified, the user must immediately notify the administration. The problem should not be demonstrated to other users.
- Attempts to log on as a system administrator will result in disciplinary action.
- The use of anonymous proxies to circumvent CCS implemented content filtering is strictly prohibited.
- No user is permitted to knowingly or inadvertently load or create a computer virus or load any software that destroys files and programs, confuses users, or disrupts the performance of the system.

- Restrict unauthorized disclosure, use, and dissemination of personal information regarding minors.
- Have AUP approved by the school board.
- Have AUP available on the school's website as part of the handbook.
- Submit the AUP to the FCC upon request by the commission.

## **Section 9: Other School Information**

### **9.01 Class Parties and Treats**

Individual teachers will establish procedures for class parties and birthday celebrations. Teachers will also inform families of any food allergies that students may have.

### **9.02 Class Requests**

CCS teachers prayerfully create class lists for the school year to provide every student with the best academic and social setting to succeed. Many factors are considered in this process, including classroom observations based on their training and expertise. Families wishing to request a specific teacher for the following school year may do so by completing the Class Request form (available from the school office) and returning to the school office by April 15. Please note that CCS does not guarantee that requests will be honored.

### **9.03 Lockers**

Lockers will be assigned to students in grades 5 to 8 at the beginning of the school year. No student is to change this assignment without approval from their homeroom teacher. Students are permitted to decorate the inside of their locker appropriately. At no time, should students write directly on or inside the locker. Students will be asked to remove items that the administration deems inappropriate. No open containers of candy, food, or drink may be stored in lockers. CCS does not assume responsibility for items left in lockers. The administration will conduct random locker checks throughout the school year. In addition, the school administration reserves the right to inspect lockers at any time.

### **9.04 Lost and Found**

Lost and found items are kept in the hallway near the main school office and the K-1 modular office. Families and students should carefully keep track of the student's belongings. Teachers do not maintain their own collection of lost and found items. We encourage families to mark their child's name in their garments and on personal items. This will enable us to return items to their proper owner. The Lost and Found box will be emptied and items donated every quarter.

### **9.05 National Memberships**

CCS holds membership in the Association of Christian Schools International (ACSI).

### **9.06 Parent Teacher Organization (PTO)**

CCS is blessed with an active PTO. The PTO hosts a variety of events as well as holding regular meetings. Attendance at meetings is welcomed and needed. Look for several key mailings and events throughout the course of the school year. Find the Cypress PTO Facebook page for more information.

### **9.07 Personal Electronics**

Any student bringing a cell phone to school does so at the discretion of the parents/guardians and at their own risk. The cell phones should be kept in student book bags/lockers and should be turned off. Students should not use their cell phones during the school day unless given

consent by a teacher or staff member. All other personal electronics are prohibited from school and from BASK. Families agree that CCS is not liable for any loss or damage to personal electronics.

### **9.08 Playground Rules**

- All students are under the authority of the teachers/aides on duty.
- Remain in locations assigned by staff member supervising the group.
- No hitting, fighting, pushing or shoving, whether for real or for play.
- No throwing stones or other objects.
- Permission to leave the area must be granted by the teacher/aide on duty.

### **9.09 Problem Resolution**

CCS encourages families to create a partnership with teachers and school staff focused on the development of their child. Open and frequent communication between teachers and families benefits the students. Families are asked to communicate directly with their child's teacher about any questions or concerns regarding their child's performance, school programs, class activities, etc. The school staff is committed to assist parents in answering their questions or resolving their concerns.

If families have difficulty in reaching resolution of an issue with their child's teacher/person of concern or if they reach an impasse over an issue, it is recommended that they use the following guidelines to seek further resolution. These guidelines are based on biblical principles for conflict resolution found in Matthew 18:15-17. It is our hope that everyone works well together, communicates honestly with each other and maintains a mutual respect that will allow everyone to be examples of integrity.

If families are concerned about a specific issue and they believe it needs to be resolved, they may use the following guidelines:

1. Notify the teacher and/or person of concern and meet to try to resolve the issue.
2. If after repeated meetings between these parties, the issue is not resolved, the family may request a meeting with both the teacher and administration to discuss the issue. At this level the concerns should be documented, with a clear explanation of the problem and the recommended resolution submitted in advance to the administration.
3. If after this meeting the issue is still not resolved, the family may request a joint meeting with the teacher, administration and the Executive Director of Cypress Church.
4. If the family can show that the school staff has violated a biblical principle or established policy or failed to follow established procedures in managing this matter, they may appeal to the school board in writing.

We ask families to support the school with their prayers and with a positive attitude. Please refrain from lodging complaints or making negative comments to students, other individuals, or about the school via social media.

While we do not expect this to happen, if at any time the administration determines that a family member's actions do not support the ministry, or that they reflect a lack of cooperation in this partnership, the school has the right to request the withdrawal of the student(s).

### **9.10 Recess (temperature guidelines)**

Students will have a full recess period outside unless:

- The temperature is 100 degrees or above factoring in the heat index
- The temperature is 32 degrees or below, factoring in the wind chill
- There is heavy precipitation

When it is dry and temperature is between 20 and 32 degrees (factoring in wind chill), students may be taken outside for a shortened recess period. Please dress your student appropriately for the current weather conditions in case of outdoor activities.

### **9.11 School Calendar**

The CCS calendar is created and published each year. It highlights all major school events. The school calendar is accessible through the school website. The CCS school year exceeds the minimum number of instructional hours required by Ohio Revised Code 3313.48.

### **9.12 Soliciting and Selling**

Soliciting and selling are not permitted on the premises of CCS for any purpose by staff, families, students, or outsiders. Solicitation for charitable drives will be permitted only with prior permission of the administration.

### **9.13 State Charter**

CCS has been officially granted a State Charter by the Ohio Department of Education for Grades K-8. The charter is dated July 27, 2001. An official copy is kept in the school office.

### **9.14 Telephone Use**

The use of the school telephone by students is permitted at the discretion of the school office staff in cases of extreme urgency. Please note that forgotten homework or band instruments, after-school social arrangements and the like are not considered to be extremely urgent. Students should not be using cell phones or other electronics to contact their family during the school day.

### **9.15 Visitation Guidelines**

For security reasons, visitors must report to the school office upon arrival. CCS welcomes families visiting their students at lunch. Anyone wishing to visit at other times must contact the teacher and school office to schedule a time for their visit at least 48 hours prior to the visit. Former students may visit during designated lunch periods only. Due to the importance of drop off and dismissal times, family members are not permitted to be in classroom hallways from 7:45 a.m. to 8:15 a.m. and during the grade level dismissal times.

### **9.16 Volunteer/Chaperone Guidelines**

Family members wishing to volunteer at CCS must complete a volunteer form to allow a background check to be completed. This form must be submitted to the school office **at least 7 days** prior to the volunteer date. Those chaperoning field trips who intend to drive students must submit proof of appropriate automobile insurance to the school office **at least 7 days** prior to the field trip date.

### **9.17 Yearbook**

A yearbook is published highlighting the events of the school year. Yearbook orders are available with spring pictures. Yearbooks are typically delivered in the fall.

## **Appendix F – Policies Related to Covid-19**

### **Introduction**

#### **1.01 Purpose**

The purpose of this document is to provide the stakeholders of Cypress Christian School (CCS) with an overview of the policies and procedures that CCS will be implementing in response to Covid-19. These policies and procedures have been prayerfully developed with input from faculty, staff, families, and other community members. The policies and procedures are designed to provide a safe and productive learning environment for students and staff.

#### **1.02 Basis for these Plans**

The policies and procedures that are outlined in this document have been prepared in accordance with the most up to date guidelines from the Center for Disease Control, the American Academy of Pediatrics, the Ohio Department of Health, and the Ohio Department of Education.

#### **1.03 Changes to this Document**

We at CCS respect and value these differences. We value feedback from our families and encourage you to direct this feedback to the school office. We respectfully ask that all of our staff and families follow the guidelines outlined in the Family Handbook when discussing these policies and procedures.
